

THE FEDERAL LAW ENFORCEMENT TRAINING CENTERS (FLETC), LEADERSHIP INSTITUTE PRESENTS:

## STARTING A LEADERSHIP LIBRARY

FLETC Leadership Institute's Senior Instructors David Lau and George Belsky will discuss the need to create a leadership library. Leaders cannot rely on their experience alone. They must look to learn from others and one of the best ways to do that is to read constantly. There are a number of leadership books that are available, but they are not all the same. Dave and George will walk through some of the good ones along with discussing the key topics that all leadership libraries should cover.

### DAVID LAU

David has over 25 years of military and law enforcement experience and has led operations nationally and internationally.

### GEORGE BELSKY

George has over 30 years of military and law enforcement experience. He retired as an ATF Special Agent in Charge, having led at the tactical, operational, and strategic levels.
